Property Description

The project presents an exquisite collection of 24 condos, each meticulously designed to offer an unparalleled lifestyle.

The distribution is as follows:

- 12 one-bedroom condos, each boasting a construction area of 49 square meters.
- 6 two-bedroom units, where opulence extends over a construction area of 103 square meters, providing a spacious and comfortable living space.
- For the connoisseurs, there are 6 two-bedroom penthouses that astonish with an immense construction area of 214 square meters. Each penthouse goes above and beyond, offering the possibility of an additional room or a relaxation area with a barbecue and jacuzzi, for a dreamlike lifestyle.

As for the common facilities, every detail has been taken care of to elevate the residents' experience. A pool and jacuzzi, reflecting the highest level of sophistication, are at your disposal. Additionally, a gazebo has been provided for moments of pure serenity and relaxation.

The complex features ample parking space and a dedicated concierge service. Furthermore, surveillance and management services are offered within the complex, ensuring efficient building management and the peace of mind of the residents.

Regarding the payment plan, flexibility is offered to adapt to individual needs: To secure your reservation, an initial payment of 5,000 US dollars is required. Then, three payment options are available throughout the construction and delivery process, providing convenience and confidence at every stage of the project.
